Introduction

Kapilvastu Integrated Development Services (KIDS) established as a NGO in Kapilvastu District on 31st August, 2005 and is affiliated with **Social Welfare Council** on 20 March, 2007. KIDS was established by the local community people with the purpose of providing services to local communities with the Goal "**Establishment of Equitable, Healthy and Self-reliant Society**".

Currently, KIDS has general members represented by Dalit, Women, Janajati, Madhesi, Muslims, PLHA, Socially excluded groups with executive committee.

Vision

A just prosperous and inclusive society where every individual regardless of caste, gender, language, creed, culture, ethnicity enjoy equal rights and opportunity to pursue his or her social, economic and cultural development.

Mission

Consolidate, empower, sensitize and transform state and non-state duty-bearers, enable locals have access and control over local resources, transfer skill and access them to information.

Goal

Establishment of equitable, healthy and self-reliant society

Objective and Key strategies

- Implementation of activities concerned with establishment of clean environment and clean habits for improvement in health, campaign through IEC materials and exchange of cooperation with Government and Non-Government Organizations.
- Protection and promotion of ancient arts and culture.
- Work towards overall development of society such as protection and repair maintenance of roads, culverts, bridges, water supply, irrigation channel, schools and libraries.
- Public mobilization and support for rescue activities in fire hazards, flood and other natural calamities.
- Implementation of trainings and other programmes for development and growth of small scale industries including skill oriented, income generating and agriculture based enterprises.
- Implementation of activities concerned with conservation of forest area, tree plantation and adaptation for balanced environment.
- Implementation of different activities via social mobilization for poverty alleviation.
- Implementation of various activities for protection and promotion of rights of women, children and their health related issues like nutrition and education.
- Campaigning on importance of historical places like Kapilvastu and Lumbini in public for transformation of Kapilvastu as tourist site.
- Ease and simplify the availability of sexual and reproductive health education to rural level.
- Promote activities for eradication of conflicts rooted in society like different traditional ideas, caste based discriminations, gender discrimination, fate based thoughts and other kinds of blind belief.
- Promote activities for disaster management.
- Promote activities for reduction effects of HIV/AIDS.
